

# FEIN professional set for grout renewal

Oscillating multi-tool - 450 W

Order number:: 7 229 46 70 00 0

The most powerful system for interior work and renovation with special accessories for grout renewal.

- Maximum quality and stability thanks to the use of ball / needle roller bearings and a motor and gearbox designed for continuous use at high load.
- Hexagonal tool mounting for excellent transfer of torque between machine and tool
- Ergonomic design for fatigue-free working
- Vibration-attenuating bail handle for minimising physical fatigue
- Dust extraction device, attachable without tools
